3 Courses

Modern Regression Analysis in R

ANOVA and Experimental Design

Generalized Linear Models and Nonparametric Regression

University of Colorado Boulder

Oct 28, 2023

Garrett Bainwol

has successfully completed the online, non-credit Specialization

Statistical Modeling for Data Science Applications

This specialization can be taken for academic credit as part of CU Boulder's Master of Science in Data Science (MS-DS) degree offered on the Coursera platform. The MS-DS is an interdisciplinary degree that brings together faculty from CU Boulder's departments of Applied Mathematics, Computer Science, Information Science, and others. With performance-based admissions and no application process, the MS-DS is ideal for individuals with a broad range of undergraduate education and/or professional experience in computer science, information science, mathematics, and statistics. Learn more about the MS-DS program at https://www.coursera.org/degrees/master-of-science-data-science-boulder.
