Probability Theory: Foundation for Data Science

Statistical Inference for Estimation in Data Science

Statistical Inference and Hypothesis Testing in Data Science Applications

Mar 2, 2023

Garrett Bainwol

has successfully completed the online, non-credit Specialization

Data Science Foundations: Statistical Inference

This program is designed to provide the learner with a solid foundation in probability theory in preparation for the broader study of statistics. It will also introduce the learner to the fundamentals of statistics and statistical theory and will equip the learner with the skills required to perform fundamental statistical analysis of a data set in the R programming language.
